PETITION TO REVIVE ABANDONED APPLICATION

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Applicant respectfully requests the revival of the above-identified patent application under 37 CFR §1.137(b) as being unintentionally abandoned for failure to file the response to the Final Office Action mailed on January 25, 2005 by the 6-month due date of July 25, 2005.

Abandonment of this application was unintentional, and the entire delay in filing the present application from due date for the reply until the filing of this Petition was unintentional. Examiner's remarks in the Notice of Abandonment from August 12, 2005 reflect that Applicant's counsel was not able to file a responsive communication on the applicant's behalf at that time, as the Applicant was unavailable to provide instruction and the status of the Applicant's corporation could not be determined. Applicant has since resumed limited operations, and Applicant's intent to continue prosecution has been made clear to Applicant's counsel.

Accompanying this Petition is a Petition for Three-Month Extension of Time and the required fee. Applicant claims large entity status. Also accompanying this petition is the required response to the Final Office Action and a Request for Continued Examination under 37 C.F.R. § 1.114.
